

FALLING LEAVES

Chor. Paul Boizot, 2006. Music "Mountain March" by Diana Stork from "Herald Of Spring", available from CD Baby.

There is a video of me demonstrating this dance at <http://www.paulboizot.co.uk/videos.htm>

Can be done either to right or left. Arms V. Circle; could try as open circle/line. Towards the end the music sounds as if it has ended, but continues for two more dance sequences.

Facing right step R, L, travelling turn to right in 2 q steps, facing centre sway R, sway L, facing right R slip-step, step back on L, R slip-step, R back* on L, touch R.

This second backwards step can be done coming *slightly* diagonally in to the centre; in which case when you start the dance again, the first steps come back out to LOD again. Beware of doing the touch on the final step too early.
